To those interested in the Eastern Goleta Valley:

I am writing to inform you that the Local Agency Formation Commission (LAFCO) will conduct a special Saturday meeting to provide information and receive public comments regarding governmental options for the Eastern Goleta Valley, specifically the area between the City of Santa Barbara and the City of Goleta.

This meeting is partly in response to a request received from the Committee For One to expand the City of Santa Barbara's sphere of influence to include this area. That request is supported by a petition circulated by the West Santa Barbara Committee and by the City of Santa Barbara.

The meeting will be held: Saturday, October 7 – 9:00 am to 1:00 pm
San Marcos High School Auditorium
4750 Hollister Avenue, Goleta

All residents, landowners and other interested parties are invited and encouraged to attend this public forum. There will be ample opportunity for public comments.

Approximately one week prior to the meeting a LAFCO staff report with maps of the area will be posted on the Commission's website, www.sblafco.org.

If you have questions prior to the meeting please contact the LAFCO office at 568-3391.

Sincerely,

BOB ORACH
Chair
