Call for Proposals to Host the 2002 CALAFCO Conference

Dear Members of the Commission:

The enclosed letter from the California Association of LAFCOs (CALAFCO) invites proposals to host next year's annual conference.

Being the host LAFCO for a conference creates some added obligations but they can be handled within the overall scope of staff responsibilities, with appropriate direction from the Commission. While Santa Barbara is not the most convenient conference location in California, the Commission successfully hosted a CALAFCO Conference at the Mira Mar hotel several years ago.

If the Commission is interested in having the CALAFCO Conference in Santa Barbara County next year, the staff will provide whatever support and assistance is required. It will be necessary to negotiate arrangements with a hotel with the capability to handle a gathering of this scale. We would enlist the assistance of the visitors' bureau and chambers of commerce.

If you have any questions please contact the LAFCO office.

Sincerely,

BOB BRAITMAN
Executive Officer
