

GOLETA INCORPORATION – PROJECT STATUS REPORT NO. 14

December 6, 2001 (Agenda)

Completion of Incorporation Proceedings

The Board of Supervisors on November 20 adopted the official canvass of the November 6 election and adopted a resolution confirming the incorporation.

The LAFCO staff recorded the incorporation on November 21 and filed the incorporation with the State Board of Equalization on November 27.

When recorded materials, and a statement from the SBE are received, the staff will distribute a notice of the incorporation to all interested parties, which completes the proceedings.

The effective date of the new city will be February 1, 2002

Financial Report

All invoices have been paid.

Issues of Concern

There are no special concerns at this time.

This will be the final project status report for the Goleta incorporation.
