

# POLICIES ENCOURAGING CONSERVATION OF PRIME AGRICULTURAL LANDS AND OPEN SPACE AREAS

1. Proposals which would conflict with the goals of maintaining the physical and economic integrity of open space lands, agricultural lands, or agricultural preserve areas in open space uses, as indicated on the city or county general plan, shall be discouraged.
2. Annexation and development of existing vacant non-open space lands, and nonprime agricultural land within an agency's sphere of influence is encouraged to occur prior to development outside of an existing sphere of influence.
3. A sphere of influence revision or update for an agency providing urban services where the revision includes prior agricultural land shall be discouraged. Development shall be guided towards areas containing nonprime agricultural lands, unless such action will promote disorderly, inefficient development of the community or area.
4. Loss of agricultural lands should not be a primary issues for annexation where city and county general plans both indicate that urban development is appropriate and where there is consistency with the agency's sphere of influence. However, the loss of any primer agricultural soils should be balanced against other LAFCO policies and a LAFCO goal of conserving such lands.
