December 7, 2006 (Agenda)

Local Agency Formation Commission

Santa Barbara CA 93101

**Report by ad hoc Committee Regarding Status of Santa Ynez River
Water Conservation District, Improvement District No. 1**

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission continue this matter to the next meeting.

DISCUSSION

This matter was placed on the Notice of Hearing for the December 7 meeting in anticipation that the ad hoc Committee would have been able to meet with their counterparts on the Board of the Santa Ynez River Water Conservation District Improvement District No. 1.

Although good faith efforts have been made to arrange a meeting, we were not able to schedule a meeting in sufficient time to enable the ad hoc Committee to provide a report.

We will place this item on the agenda for the next Commission meeting.

Sincerely,

BOB BRAITMAN
Executive Officer
