Dear Mr. Prater and Members of the Commission;

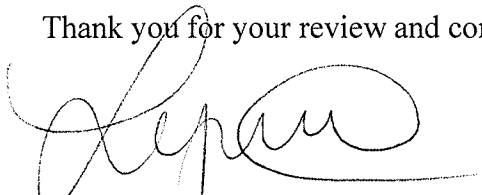

I am writing in support of LAFCO File No. 22-07 for the City of Lompoc's Bailey Avenue Sphere of Influence Amendment (APNs 093-070-084, 065 (the Bailey Property) and APNs 093-111-007, -008, -009, -010, -011, & -012 (the Bodger Property)).

I am a local resident and business owner in the City of Lompoc, and I am in support of the Amendment that will bring the above parcels in to the Sphere of Influence of the City Of Lompoc. The City of Lompoc, with the overwhelming support of the community, has been in this process since the inception of the City's 2030 General Plan update. The SOI Amendments and eventual annexations have been in the works for a very long time.

All the other cities are growing and developing around us, however, Lompoc always has issues moving forward with dreams and goals of growth. Lompoc is home to a Federal Prison and Vandenberg Space Force Base, if any city should be growing and developing it should be Lompoc!

Please assist the city and our community and move the Amendment process forward per The City of Lompoc's request.

Thank you for your review and consideration,
