LAFCO 03-2 – Rancho Monte Alegre Annexation to the Carpinteria Valley Water District

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission receive this report.

DISCUSSION

This matter was noticed for this meeting in case the annexation was not finalized by May 19 and a time extension was needed. Proposals become null and void one year after they are approved unless recorded or the Commission extends the time for completion of proceedings.

As it turns out, the annexation was recorded on April 20, making this agenda item unnecessary.

Sincerely,

BOB BRAITMAN
Executive Officer
