Report Regarding Santa Ynez Valley Water Conservation District, Improvement District No. 1

Dear Members of the Commission:

RECOMMENDATION

It is recommended this matter be continued to the next regular LAFCO agenda.

DISCUSSION

At the July 7 meeting the Legal Counsel indicated that he would provide a report regarding the status of the Santa Ynez Valley Water Conservation District, Improvement District No. 1 with respect to whether it is subject to the Commission's jurisdiction as an independent special district.

The Legal Counsel is continuing to examine this issue. A letter from Hatch & Parent, the attorneys representing the District was received on Friday, July 21, which was shortly before the LAFCO meeting docket deadline of Monday, July 24. Legal Counsel would like time to research and respond to the issues raised in that correspondence. Therefore a continuance of this item to the next regular meeting is therefore recommended

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
