Dear Mr. Hood and LAFCO Board

We own parcel #28, assessor's lot #36 in the Santa Rita Hills Community Services District and support the goal of building a road system so we can use our property. We appreciate the efforts of the Santa Rita Hills CSD and want to see its work continue.

A Bridge and Highway District will allow all of the parcel owners to vote and be eligible to sit on the board of directors.

We ask that LAFCO allow us time to complete the current application so we can reorganize the CSD into a Bridge and Highway District. That will finally allow us to build the roads we need to be able to enjoy our properties.

Sincerely,

A handwritten signature in blue ink that reads "Mark C. Horvath". The signature is fluid and cursive, with the first name "Mark" being the most prominent.
