LAFCO 05-13 – San Marcos Gardens Annexation to the Goleta Sanitary District

Dear Members of the Commission:

RECOMMENDATION

It is recommended that the Commission receive and file this report.

DISCUSSION

The Santa Barbara City Council initiated the San Marcos Gardens Annexation to the Goleta Sanitary District on March 8, 2005. The Commission approved the proposal on September 1 and directed the Executive Officer to conduct a hearing to receive any written protests against the Annexation. A properly noticed hearing was held on October 6. No protests were received.

The Cortese-Knox-Hertzberg Act directs that annexations be ordered without election if written protests are filed by less than 50% of the landowners and fewer than 50% of the registered voters. As Executive Officer executed an determination and order to that effect on October 7.

We are waiting to receive an approved map and legal description to record and thereby complete the San Marcos Gardens Annexation.

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN

Executive Officer
