

# Santa Barbara LAFCO

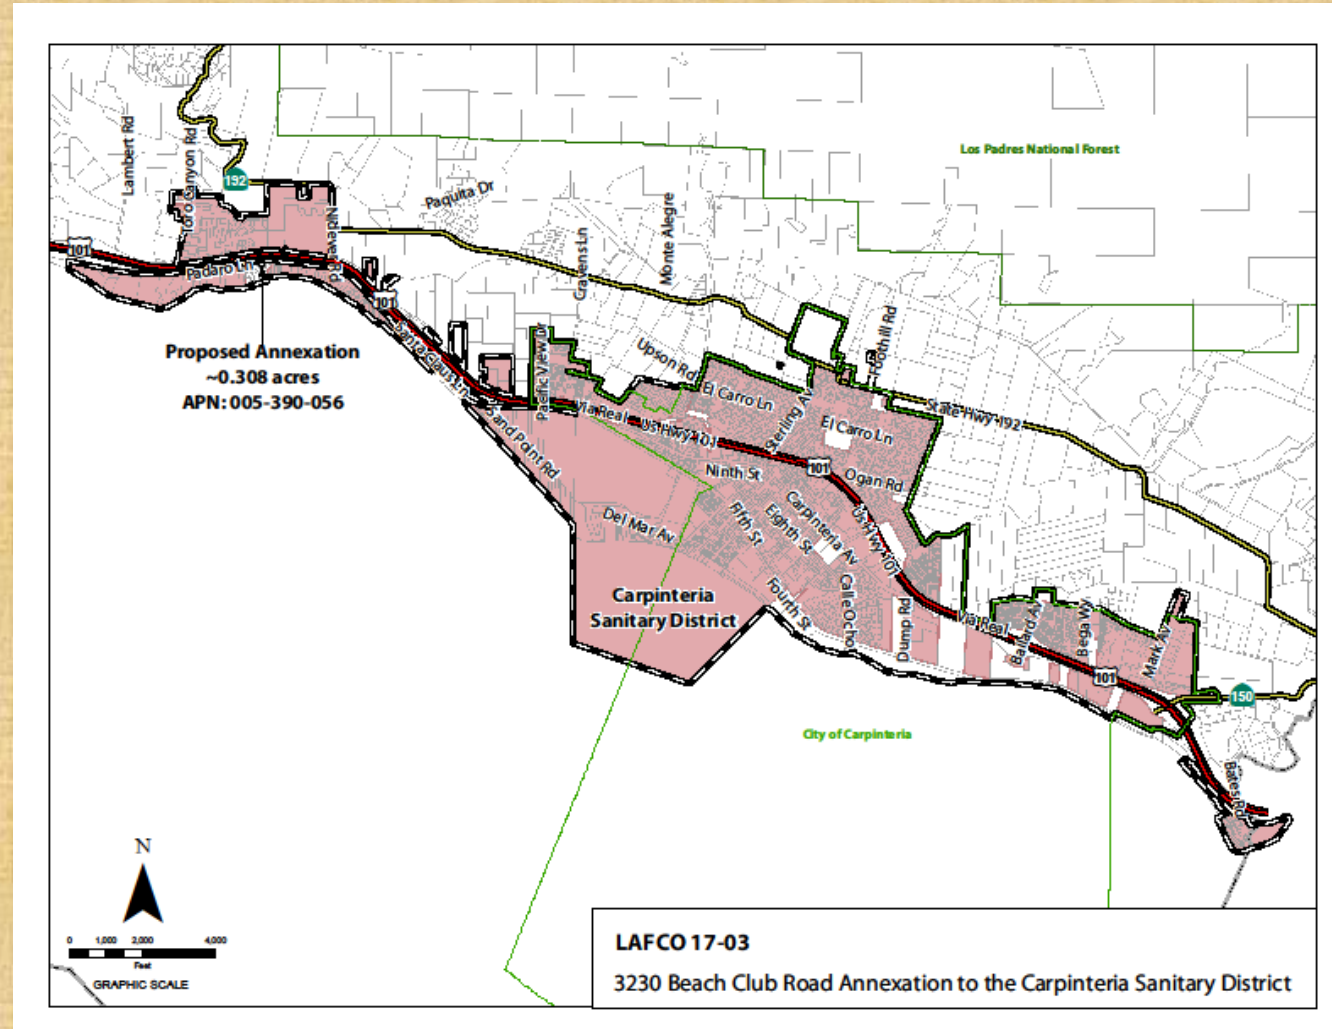

## Beach Club Road Annexation to the Carpinteria Sanitary District

June 1, 2017

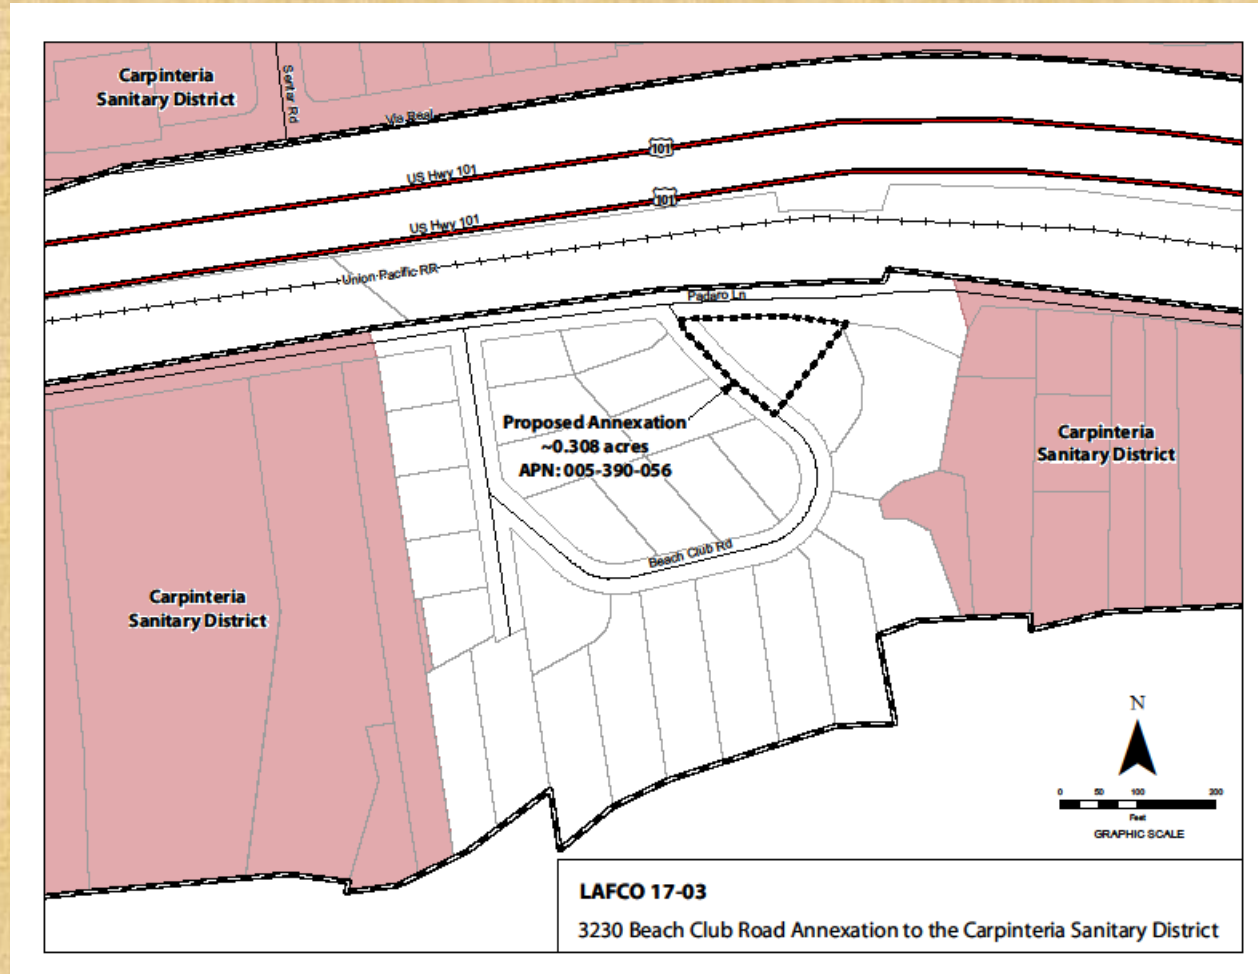

# Background

- Applicant: Board of Directors of the Carpinteria Sanitary District, by resolution
- Location: The property is located at 3230 Beach Club Road (APN 005-390-056) and is comprised of one parcel of approximately 0.25 acres to the Carpinteria Sanitary District.
- Purpose: To provide sewer service to the parcel for a remodel of an existing single family residence that is currently serviced by an on-site septic system.
- Sphere of Influence: The proposal area is outside the District's Sphere of Influence. This annexation will require a revision to the district's sphere of influence.

# Vicinity Map

# Annexation Map

# Land Use, Planning and Zoning

- The land use of this parcel is Residential 9-R-1. There will be no zoning changes as a result of the annexation. The existing residence and proposed remodel conform with the current zoning.
- The action to extend sewers to the properties in this area is consistent with the Santa Barbara County Toro Canyon Plan Policy WW-TC-1 and related development standards that direct the implementation of wastewater treatment systems that reduce future reliance on septic systems with connections to the District sewer.

# Plan for Services

- The Carpinteria Sanitary District's "Plan for Providing Services within the Affected Territory" as required by Government Code Section 56653 indicates that wastewater service to the residence will not be an impact. Once the annexation is complete, the owner will be responsible for financing all of the required sewer improvements to serve the property. Operation and maintenance will be financed via the sewer service charge which are collected annually through the Santa Barbara County tax rolls.

# Environmental Determination

- The proposal to be Categorical Exempt (Class 19) from the California Environmental Quality Act pursuant to CEQA Guidelines Section 15319 (Annexation of Existing Facilities and Lots for Exemption Facilities)

# Conclusion

- The annexation proposal represents a logical and reasonable extension of the boundaries of the Carpinteria Sanitary District.
- The Commission may wish to include the entire Beach Club Road area in the district's sphere of influence at a future time.

# Recommendation Options

- After consideration of this report and any testimony or additional materials that are submitted the Commission should consider taking one of the following options:
  - OPTION 1 – APPROVE the proposal as submitted.
  - OPTION 2 – CONTINUE this proposal to a future meeting for additional information.
  - OPTION 2 – DENY the proposal

# Recommendation

- OPTION 1 – APPROVE the proposal and resolution as follows:
- Find the proposal to be Categorical Exempt (Class 19) from the California Environmental Quality Act pursuant to CEQA Guidelines Section 15319.
- Revise the Carpinteria Sanitary Districts sphere of influence to include the parcel located at 3230 Beach Club Road.
- Approve the proposal, known as the Beach Club Road Annexation to the Carpinteria Sanitary District, subject to the condition the territory shall be liable for any existing or authorized taxes, charges, fees or assessments comparable to properties presently within the District
- Find the subject territory is uninhabited, all affected landowners have given written consent and the annexing agency has given written consent to the waiver of conducting authority proceedings.
- Waive the conducting authority proceedings and direct the staff to complete the proceeding.
