Edgewood Reorganization: Annexation to the Carpinteria Valley Water District/Detachment from the Montecito Water District (LAFCO 10-2)

Dear Members of the Commission:

Recommendation

It is recommended the Commission direct the staff to schedule this proposal for a future meeting, the date to be determined in consultation with the petitioners and affected special districts.

Discussion

We received a letter from the Montecito Water District on Wednesday, October 21 that raises a number of questions and issues regarding this proposal.

After consulting with the Chief Petitioner and the General Manager of the Carpinteria Valley Water District, it was agreed there is insufficient time to adequately analyze and respond to these issues before the scheduled November 4 hearing.

Sincerely,

BOB BRAITMAN

Executive Officer
