Updating Directory of Local Agencies

Dear Members of the Commission

RECOMMENDATION

It is recommended the Commission receive and file this status report.

DISCUSSION

On February 4 we reported on updating LAFCO's Directory of Local Agencies in Santa Barbara County. We advised that the "fact sheet" and map for each city and district were being updated and brought current from the 2005 edition of the Directory.

We noted that our plan is to post the Directory on the LAFCO website so maps and data sheets will be available to the public at less expense. Maps in the on-line version of the Directory will be updated as annexations or other boundary changes are recorded.

The project to verify and map city and special district boundaries for the Directory has proven to be a more time consuming project. On April 1 the Commission authorized the transfer of \$5,000 to the County Surveyor to help expedite the completion of the maps for the Directory.

We will provide periodic status reports on updating the Directory. Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
