Subject:	Richard's Ranch Annexation
Message:	<p>To whole it may concern, As a lifelong member of the Orcutt community, I am opposed to the annexation of Richard's Ranch. Santa Maria may expand to the east or west, but our roads, schools and infrastructure were never meant to be as big as we currently are. There are no jobs that pay a decent wage to support additional people in the community. The annexation will be mistake and it not being met well by the community. Thank you for your time.</p>
