Message:	<p>As a 45 year resident of Old Orcutt, I am against the annexation of county land in Orcutt for this project. There will be more traffic and crime and stress on our schools. A few years ago we were told to reduce our water consumption. Where is the water coming from? We have had a lot of homes built in this end of town. We want to preserve what is left of our sense of community in Orcutt. There are other areas of Santa Maris where this development could go. There is land on Blosser Road. There is land east of Highway 101. Why not there?! Keep the city from encroaching in</p>

Orcutt and Santa Barbara Vounity land!
