Subject:	Richards Ranch Development
Message:	<p>I live within 1 mile from this development. The only outlet from my street is Orcutt Road. Traffic is already horrible on this road. When school is in session, it is nearly impossible to exit onto Orcutt Road with all the traffic. When the gas station gets built at Lakeview and Orcutt Road, that outlet will be essentially eliminated. It will force us to go to Foster, which is equally messed up, or use residential streets to try and get out. This is true for Siler, Pabst and Townsend streets. This development along with the other developments in the area is creating a mess for our area.</p>
