Subject:	Nov 2 Commisison meeting, public comment, Sta Rita Hills CSD
Message:	We support the adoption of resolution #4, specifically the inclusion of the MOA road easement area into the Santa Rita Hills CSD. It is long past time that the road be built and maintained by a non partisan entity, for the benefit, safety and health of all concerned. It was clearly the intent by all the property owners in the district that such permanent access be completed. Respectfully, Matt Clabaugh
