Local Agency Formation Commission
105 East Anapamu Street
Santa Barbara CA 93101

**Consider Adoption of Countywide Service And Sphere Review for
Transportation, Parking, Street Sweeping & Beautification, Lighting,
Transit and Airport Services in Santa Barbara County**

Dear Members of the Commission

RECOMMENDATION

It is recommended that the Commission continue the item until January 11, 2024 for adoption.

DISCUSSION

Due to the change in meeting location from Santa Maria to Santa Barbara, after our public hearing notice had been sent out which indicating the prior meeting location. A second 21-day notice may have caused more confusion than continuing the hearing until our next available Commission meeting.

Accordingly, we recommend continuing the matter until January 11, 2024 to allow the opportunity for citizens to participate and meet our required 21-day notice of hearing. LAFCO will continue to accept public comments related to the MSR/SOI Update up to and through the January hearing.

Please contact the LAFCO office if you have any questions.

Sincerely,

Mike Prater
Executive Officer
