Improvement District No. 1**

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission receive and file this report.

DISCUSSION

Following the October 5 meeting your staff informed the Santa Ynez Valley Water Conservation District Improvement District No. 1 of our interest in meeting on an *ad hoc* basis to discuss the status of that agency in relationship to the Commission.

We are informed there is an interest in meeting as proposed. I have no other information at this time and we will be moving to schedule a meeting with the members of that Board.

We also informed the staff of the Santa Ynez Valley Water Conservation District of the interest in having a member from that District Board participate in the informal discussions and there is a willingness to participate.

We will report more information to the Commission as it becomes available.

Sincerely,

BOB BRAITMAN
Executive Officer
