Subject:	Santa Maria city annexation of Richard's Ranch
Message:	As a resident of Orcutt California, I fully disapprove the bullying tactics of the city of Santa Maria and it's sitting council members in the annexation of Richard's Ranch in Orcutt California orchid is known for its small town community annexing for low income, housing and apartment style. Housing would take away one of the Central Coast gems. I fully support keeping orchid as is thank you for your consideration in time.
