## **LAFCO 02-15 –Robinson Reorganization - Extension of Time to Complete Proceedings**

Dear Members of the Commission:

### RECOMMENDATION

It is recommended the Commission extend for a period of one year, to February 6, 2005, the time permitted to complete the Robinson Reorganization (LAFCO 02-15).

### DISCUSSION

On February 6, 2003, the Commission approved the Robinson Reorganization, an annexation to the City of Santa Maria and detachments from the Santa Barbara County Fire Protection District, Santa Barbara County Resource Conservation District and Laguna County Sanitation District.

Government Code section 57001 specifies that if boundary change proceedings are not completed within one year of LAFCO's approval, the proceeding is abandoned, unless prior to the expiration of that year LAFCO authorizes an extension of time.

Since there is insufficient time to complete the proceeding by February 6, if the Commission does not extend the time, this proceeding it will become null and void on that date.

Enclosed is a letter from the City of Santa Maria requesting a one-year time extension to complete the Robinson Reorganization. The staff concurs with the request and recommends that the Commission approve the time extension to complete the proceeding.

Sincerely,

**BOB BRAITMAN**  
Executive Officer
