Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission receive and file this report.

DISCUSSION

The staff is proceeding to prepare Municipal Service Reviews in accordance with the revised schedule presented to the Commission on November 4. Please note:

Lompoc Area – Draft Municipal Service Reviews were sent to all affected agencies in the Lompoc area on November 4. We advised them the Commission will consider the MSRs in three months, on February 3, 2005.

We also noted the schedules allots 60 days for local agencies to review and comment on the draft report so we can make changes or modifications as needed prior to the February 3 hearing.

Santa Maria area – The staff has received information from each affected agency and is in the process of preparing draft Municipal Service Reviews. We plan to have them ready to distribute by the second week of December.

Santa Barbara/Goleta Valley area – The “kick off” meeting with local agencies in this area is scheduled for Friday, December 17. At that which time we will distribute the Request for Information and respond to questions any agencies may have regarding the MSR/SOI process.

If you have questions about the MSR program please contact the LAFCO office.

Sincerely,

BOB BRAITMAN
