**Municipal Service Review and Sphere of Influence Update  
for the Santa Maria Valley Water Conservation District**

Dear Members of the Commission:

Recommendation

It is recommended the Commission continue to July 6 the public hearing on the proposed Municipal Service Review for the Santa Maria Valley Water Conservation District.

Discussion

On April 6 this matter was continued to June 1 to allow further discussion with the District and other interested agencies. Staff met with members of the District Board of Directors on May 3, at which time specific aspects of the MSR were discussed.

We are waiting for the District to provide its response to these potential changes. We are hopeful that this matter will be ready for consideration by the Commission at the July 6 meeting.

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN

Executive Officer
