Subject:	Oppose the SM City Annexation of Orcutt Richards Ranch Project
Message:	<p>I am writing to strongly oppose the proposed Santa Maria city annexation of parts of Orcutt. Orcutt should remain Orcutt—our identity, community values, and needs are not aligned with Santa Maria’s priorities. Orcutt is rapidly losing its charm and character. What was once a quiet, family-centered community is turning into a congested, neglected extension of the city—without the infrastructure, planning, or cultural investment to support it. Santa Maria continues to expand outward, choking up Orcutt in the process, yet</p>

we receive no meaningful support in return—no new parks, no school funding, no essential improvements. Frankly, the direction things are headed is unacceptable. Orcutt is becoming an overlooked dumping ground while your leadership fails to provide the basics a growing community needs. We deserve better than this. Do the right thing. Oppose the annexation. Keep Santa Maria out of Orcutt.
