Subject: Protect Prime Farmland in Lompoc

Dear Local Agency Formation Commission (LAFCO),

Please postpone the December 8, 2022 hearing on the application of the City of Lompoc to expand it's Sphere of Influence to include 137 acres of prime farmland adjacent to Baiey Avenue to your February 2, 2023 meeting.

This postponement is necessary to afford the public meaningful opportunity to weigh in and participate on this important matter.

If you do proceed with the hearing, please deny the City's proposal and prevent the conversion of this important agricultural land.

Thank you
Nancy Krop
