### **LAFCO 05-2 – Cities Annexation to the Mosquito and Vector Management District**

Dear Members of the Commission:

#### RECOMMENDATION

It is recommended the Commission extend for one year, to November 3, 2007, the time allowed for the Mosquito and Vector Management District to complete the Cities Annexation.

#### DISCUSSION

On November 3, 2005 the Commission approved the Cities Annexation to the Mosquito and Vector Management District (then called the Santa Barbara Coastal Vector Control District). The annexation consists of the territory within the Cities of Buellton, Solvang and Guadalupe.

The Cortese Knox Hertzberg Act, Government Code §57001, provides that if a boundary change is not completed within a year of the date the Commission approves the proposal the proceeding shall be deemed abandoned, unless prior to the expiration of that year the Commission authorizes an extension of time, which may be for any period deemed reasonable to the Commission.

The enclosed letter from the District requests a one-year time extension to November 3, 2007 to complete this proceeding citing the complexity of the administering the ballot measure and the need for additional public outreach.

Please contact the LAFCO office if you have any questions.

Sincerely,

**BOB BRAITMAN**

Executive Officer
