Santa Barbara CA 93101

Call for Bylaw Amendments and Resolutions for the 2001 CALAFCO Conference and

Dear Members of the Commission:

The enclosed letter from CALAFCO is a reminder that any bylaw amendments or resolutions to be considered at this year's Annual Conference must be received by CALAFCO at least 60 days before the Conference, which is August 31. Proposals received after that date can be considered but only if 2/3 of the quorum at the Conference agree to waive the 60-day rule.

The staff is unaware of the need for any proposed resolutions or bylaw amendments, though individual members of the Commission may have proposals to submit.

If you have any questions please contact the LAFCO office.

Sincerely,

BOB BRAITMAN
Executive Officer
