Subject: Preserve the Lompoc Ag land
Date: Saturday, January 28, 2023 11:41:02 AM

Hello,

I'm writing to protest the Bailey Ave new housing recommendation in Lompoc.

I am in favor of protecting the agricultural land and suggest LAFCO consider building affordable housing within the city's limits, particularly focusing on the infill areas of which there are many.

Please pass along these comments.

Sincerely,

Hilary Anderson
