## **Consideration of Agreement with the SYRWCD Improvement District No. 1 and adoption of the District Sphere of Influence**

Dear Members of the Commission:

### RECOMMENDATION

It is recommended the Commission receive this status report and continue this matter to the next Commission meeting.

### DISCUSSION

As the Commission is aware, discussions are proceeding between LAFCO and Santa Ynez River Water Conservation District, a process that included an ad hoc committee of Commissioners Doreen Farr and Cathy Schlottmann who met with representatives of the District.

The Commission legal counsel and staff have been working with District legal counsel and staff to formulate a Memorandum of Understanding that would formalize cooperative relationships and procedures between LAFCO, the Santa Ynez River Water Conservation District and SYRWCD Improvement District No. 1.

We thought the MOU might be available for presentation to the Commission at the February 2 meeting but the latest version is still being evaluated by the affected parties. We recommend this matter be continued to the next Commission meeting.

Sincerely,

BOB BRAITMAN  
Executive Officer
