This is a periodic report of LAFCO staff activities. The last report was on April 23, 2012.

## Status of Approved Proposals

The Jewkes Annexation to the Goleta Sanitary District (LAFCO 12-2) was approved on May 3, 2012; we are waiting for expiration of the 30-day waiting period in order to record this boundary change.

The Doherty Annexation to the Santa Ynez Community Services District (LAFCO 11-6) was approved on August 4, 2011 and was recorded on April 23, 2012. We received a statement from the State Board of Equalization that the annexation will appear on the 2013-14 assessment roll.

The Lee Out-of-Agency Service Agreement for the City of Goleta (LAFCO 10-7) was approved by the Chair on December 14, 2010; the property is not yet connected, perhaps due to an ownership change
