Subject:	Opposed to Orcutt Site Annexation
Message:	<p>I feel Orcutt does not have good representation. If the county needs more low income housing let's throw it in Orcutt. If Santa Maria wants to take parts of Orcutt for their gain no problem they take it. No one stands up for Orcutt. Our roads are in terrible shape - residential and freeway but no help there either. Union Valley Rd is already so busy and unsafe I can't imagine how bad it will be with this new project! It was extremely short sited to not put a light at the intersection of Hummel. You are literally risking your life trying to turn off Hummel at many times during the day with the volume and speed</p>

	of cars there. County...do better for ORCUTT!!
