Commission Meeting Dates and Locations for 2002

Dear Members of the Commission:

RECOMMENDATION

Adopt the recommended schedule of meeting dates, locations and remote locations.

DISCUSSION

On the attached sheet the dates for the regularly scheduled meetings of the Local Agency Formation Commission in 2002 are listed. We have reserved the Board of Supervisors Hearing Room for these dates and times.

As you know, the Commission meets on the first Thursday of each month, alternating between the Hearing Rooms in Santa Barbara and Santa Maria. The exception to this will be July 4, 2001. For that month, the meeting will take place the following week, July 11. Regularly scheduled meetings begin at 2:00 PM and are usually between 1½ to 2½ hours in length.

If you have any questions contact the LAFCO office.

Sincerely,

BOB BRAITMAN
Executive Officer
