**LAFCO 07-5 – South Coast Annexation to the Carpinteria Sanitary District**

Dear Members of the Commission:

Last August the Commission approved the South Coast Annexation to the Carpinteria Sanitary District. At a protest hearing on December 3, 2007 written protests were received from 36% of the registered voters residing within the proposal area. This was sufficient to require an election on whether to confirm the annexation.

The confirmation election is being held by mailed ballot on April 22. The results may be known at the time of the May 1 LAFCO meeting and the staff will present a status report at that time.

Please contact the LAFCO if you have any questions.

Sincerely,

**BOB BRAITMAN**

Executive Officer
