Subject:	Richard's Ranch project
Message:	I am completely against the Richard's Ranch project at 135, UVP and Orcutt Rd. I have lived in Orcutt for almost 33 years and endured the changes. Since UVP opened there has been so much traffic tied up at those intersections. You can look up the number of accidents in the last few years, some with fatalities. Adding more congestion is going to intensify the safety concerns. As a citizen of this community I oppose this plan for Orcutt.
