LAFCO Meeting Schedule

Dear Members of the Commission:

RECOMMENDATION

It is recommended that the Commission provide direction to the staff regarding the meeting schedule for the remainder of the year.

DISCUSSION

Regular LAFCO meetings are held on the first Thursday of each month. As necessary, regular meetings have been canceled and special meetings have been scheduled.

It is recommended that the Commission cancel the regular Thursday, October 3 meeting and call a special meeting for Thursday, October 10. The October 3 meeting conflicts with the annual Statewide Convention of the League of California Cities.

In addition, the regular Thursday, November 7 meeting conflicts with a “Conference on Growth, Economic Development and Jobs/Housing Balance” that is being planned by the Air Pollution Control District and SBCAG.

To avoid this conflict, the Commission may want to cancel the regular November 7 meeting in favor of a special meeting the following Thursday, November 14. The Commission may also wish to co-sponsor the conference on growth, economic development and jobs/housing balance.

One last thought, recognizing that the end of the year is typically a very busy time for everyone, depending the number of pending proposals and other business, the Commission may want to consider “combining” the November and December meetings into a single meeting, perhaps on Thursday, November 28 or Thursday, December 5,
