LAFCO Processing Fee Schedule for FY 2001-2002

RECOMMENDATION

It is recommended the Commission receive this report, accept any public testimony and adopt the attached processing fee schedule for Fiscal Year 2001-02, with any desired changes.

DISCUSSION

The Cortese/Knox/Hertzberg Act, Government Code Section 56383, allows LAFCO to recover its costs by charging processing fees, provided the fees do not exceed the estimated reasonable cost of providing the service for which the fee is charged.

On April 12 the Commission adopted a proposed fee schedule for Fiscal Year 2001-02, which was distributed to cities, special districts, the County and other interested parties. No comments have been received.

The staff recommends the fee schedule be adopted with one change, a fee for filing a request for reconsideration of a LAFCO approval. The recommended fee is 50% of the original processing fee paid for the proposal subject to the reconsideration.

Please contact the LAFCO office if you have any questions.

Very truly yours,

BOB BRAITMAN
Executive Officer
