Appointment of Ad Hoc Legislative Platform Committee

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Chair appoint an ad hoc committee to work on preparing a Legislative Platform for consideration by the entire Commission.

DISCUSSION

Many public agencies have adopted a “legislative platform” or “legislative policies” in order to help evaluate legislative proposals that are presented during the year.

The Santa Barbara LAFCO has not yet adopted such policies. It is suggested that the Chair can appoint an ad hoc committee of Commissioners to work on developing such policies that would be useful in evaluating proposed legislation in the future.

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
