Message:	<p>It seems the city of Santa Maria is trying to pull a fast one on the Orcutt community. The problems this huge development will bring to our community is more than the area can handle. The roads are horrific there are accidents every day and the crime will surely increase just because of the condensed population. We are a small community and do not need the city's problems. Our community says no to this outrageous development and annexation by the city!</p>
