Subject:	Santa Maria's Predatory Annexation of Richard's Ranch "Orcutt's Heartland"!
Message:	<p>As an Orcutt resident for over 50 years, I am vehemently opposed to Santa Maria's annexation of Richard's Ranch. Orcutt est 1904 (over 120 years ago) should have become an incorporated city decades ago. What LAFCO, the Santa Barbara County Board of Supervisors and the state of California should be focused on is the Incorporation of Orcutt. These government agencies have failed Orcutt on so many levels. Richard's Ranch is a key component of the Orcutt Community Plan - a plan that called for these</p>

agencies to put all of the Key Sites in the Orcutt Community Plan in Orcutt's Sphere of Influence over 30 years ago - never happened. Adding to that, the state of California has made the process of incorporation extremely difficult. The city of Santa Maria has used water to nex any new significant industrial or commercial development in Orcutt.
